Dear Dr. Berkowitz and Students:

On behalf of the Florida Coalition Against Human Trafficking I would like to thank you for your generous gift of \$236.00. Your commitment to help end Human Trafficking in our community is sincerely appreciated.

Each year the Coalition continues to advance its mission to improve and provide outreach and services to victims of Human Trafficking throughout the State of Florida. Through our programs of networking, coalition building, training, service delivery, and referrals to victims in need we have seen many lives changed for the better.

In particular the Outreach program has enjoyed great success in the past year. Due to the response from your school the Coalition would like to create a statewide coalition of students to raise awareness about Human Trafficking. I believe students such as you are the key to unlocking this despicable crime.

The goal of the Florida Coalition Against Human Trafficking is to continue to make a difference in the abolishment of modern day slavery. With the help of donations from supporters such as you we will continue to see improvements in Human Trafficking awareness.

Thanks again for your generous support of our efforts.

Hope to see you soon,
